November Meeting = Homebrew

Not the alcohol kind, the electronic kind. This year lets see if Tim will have some serious competition. Bring whatever goodies you have built this year for Show-&-Tell. That will be Monday, November 14 at the Red Cross.

Technician Training Class, Nov. 19 & 20

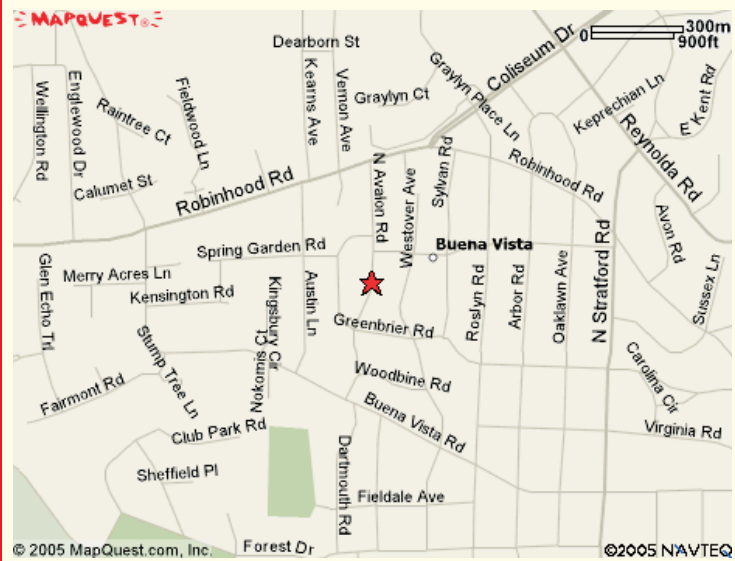

There is a Technician training class planned for Saturday, Nov. 19 and Sunday Nov. 20. This is a fast paced run through the study guide. To get the most out of this class you really need to spend some time studying prior to the class. If you are planning on taking the class please call 723-7388 and leave your name and number by 7 PM

Officers for 2006

We must be running to the end of the pile for President. Your úmble (!?) Newsletter editor Don, WS4NC is the unfortunate soul for President this year. It's all Melissa's fault. And speaking of Melissa, W4RXG she is VP. Henry, W2DZO is continuing as Treasurer. Megan, KI4KNM has agreed to take on the Secretary's job. These were announced at the October meeting, the September meeting was open to nominations from the floor, and this upcoming November is the final vote.

Annual Club Dinner December 12

Our December banquet will be at Diaamondback Grill this year. Diamondback is located on N. Avalon Road between Robinhood and Buena Vista roads. Avalon Road is 100 yards West of the intersection of Coliseum Drive and Robinhood Road.

Club Meeting, Monday, November 14, 2005

We will meet, as usual, on the 2nd Monday of the month at 690 Coliseum Drive in the Red Cross Building at 7:30 PM sharp in Room 09, but come early, say, 7:00-ish, to "hob-nob" with your fellow hams. The program will be the annual Homebrew contest. **LICENSE EXAMS, Saturday, December 3, details inside.**

Editor's Corner also know as:

"Wheres my Newsletter?"

OK, that's a very good question. The last few months have been the most busy I've ever been. Part of it comes from taking on two full-time jobs at the same time while still trying to get other stuff done, both business and personal. I have this very big Newsletter put together in text form - but every time in the last few weeks I've been too busy to do the final edit the week before it goes out. Always there seems to be something unexpected happening. This month is about typical - but I do see the light at the end of the tunnel. [I hope it's not another train.]

This month has been about typical - but a Newsletter is going out regardless. I'm holding all the big FARC news and stuff and will do an end of the year review and a big Newsletter either for December or January. And it will have that wonderful dues renewal in it, which I'm sure that all of you are looking forward to.

For information to make it into the Newsletter, I need submissions no later than the morning of the 4th Monday of the month. Email me at ws4nc@arrl.net with any submissions. Just plain text is all that's required, most formatting will be redone to match the Newsletter's form anyway. Pictures can be most any form, but jpg's are probably best. Pictures need to be of the highest resolution possible.
